TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

The Huis Ten Bosch, or "House in the Wood," is a building which was formerly a royal villa, erected about 1645 by Jacob van Kampen and Pieter Post for Princess Amalia of Solms, the consort of Prince Frederick Henry of Orange. The interior is well worth a visit, the objects of interest including the Orange Saloon, where assembled in 1899 the International Peace Conference, at which twenty-six Powers were represented.
